### § 275.6 Management units.

(a) *Establishment of management units.* For the purpose of ME reviews, State agencies may, subject to FNS approval, establish "management units" which are different from project areas designated by FNS for participation in the program. For example, State-established welfare districts, regions or other administrative structures within a State may be so designated. Management units can be designated as either large, medium, or small for purposes of frequency of review. However, establishment of management units solely for the purpose of reducing the frequency of review will not be approved by FNS.

(b) *FNS approval of management units.* State agencies shall submit requests for establishment of management units to FNS, which shall have final authority for approval of such units as well as any changes in those previously approved by FNS.

(1) The following minimum criteria must be met prior to requesting FNS approval:

(i) The proposed management unit must correspond with existing State-established welfare districts, regions, or other administrative structures; and

(ii) The unit must have supervisory control over Food Stamp Program operations within that geographic area and have authority for implementation of corrective action.

(2) In submitting the request for FNS approval, the State agency shall include the following information regarding the proposed management unit:

(i) That the proposed management unit meets the minimum criteria described in paragraphs (b)(1) (i) and (ii) of this section;

(ii) Geographic coverage, including the names of the counties/project areas within the unit and the identification (district or region number) and location (city) of the office which has su-

### § 275.7 Selection of sub-units for review.

(a) *Definition of sub-units.* Sub-units are the physical locations of organizational entities within project areas responsible for operating various aspects of the Food Stamp Program, exclusive of Post Offices which may issue coupons. Sub-units shall be classified based upon functional responsibility as one or more of the following.

(1) *Certification office.* Any sub-unit which has the responsibility for accepting applications, conducting interviews, determining eligibility, maintaining (or having easy access to) casefiles, and transmitting information to the data management unit shall be designated as a certification office.

(2) *Issuance office.* Any sub-unit which has the responsibility for issuing coupons to participating households and storing coupons shall be designated as an issuance office.

(3) *Data management unit (DMU).* Any sub-unit which has the responsibility for maintaining the household issuance record (HIR) masterfile shall be designated as a DMU.

(4) *Bulk storage point.* Any sub-unit which has the responsibility for accepting and storing supplies of coupons prior to shipment to issuance sites shall be designated as a bulk storage point.
